

CASE STUDY

Project Name

The Line @ Tanjong Rhu, Singapore

Installer/Applicator

SL Brilliant Construction Pte Ltd, Singapore

General Contractor

SL Brilliant Construction Pte Ltd, Singapore

Architect

Mode Architects, Singapore

Featured Products

ARDEX X 29

ARDEX X 77

ARDEX X 52

Challenge

ARDEX has been chosen for the whole tiling work for the prestigious new residential development "The Line @ Tanjong Rhu". The area is approx. 30,000m², with 20 storeys and 130 units in total. Environmentally-friendly, sustainable building products with Green Label certification were required. The competition with other suppliers was strong.

Situation

"The Line" is a newly built condo, near the East Coast and marine district in Singapore. The installation work has been done from July 2015 to October 2016.

Solution

ARDEX managed to secure the project by introducing its unique tile adhesives:

- The Premium Microtec flexible Wall & Floor Tile Adhesive ARDEX X 77 for the external swimming pool area
- The Green Label certified tile adhesives, ARDEX X 29 for external tiling and ARDEX X 52 for internal tiling
